It follows a prisoner, who has been convicted of murder, as he approaches the end of his prison sentence. The film premiered at the 66th Venice International Film Festival in September 2010, and later had its North American premiere at the Toronto International Film Festival in September 2011. It was theatrically released in Canada on December 5, 2011, by Les Films Du Losange, and in the United States on April 6, 2012, by Lionsgate. The film received positive reviews from critics. It has also been commercially successful in Europe and Canada, where it was a moderate box office hit. Plot The film starts with Néo, a

prisoner serving a life sentence, whose brother was murdered. He spends much of his time in solitary confinement, unable to deal with his grief. He receives a letter addressed to him from his father. From prison, Néo spends his days at home playing guitar and listening to music, mostly classic rock. One day, he receives a postcard from his younger brother, Olivier, who lives in the United States with his wife and child. The brother once was caught poaching a chicken and has since been let off the hook, but is in trouble again for smuggling cigarettes into prison. The prison warden, Léa-Marc Bibeau, has summoned Néo to a meeting with her supervisor, a woman from the prison guards' union named Corinne. It is revealed that Néo may be on his way home. While awaiting Néo's arrival, Léa-Marc asks Corinne about the case and wonders if Néo might have been the murderer. Corinne is reluctant to reveal anything to her, knowing the risks involved. At the meeting, Corinne tells Léa-Marc that Néo is on a work pass, and if there are no more issues, he may be released within a week. Léa-Marc tells Corinne that there is a problem: Néo's most recent furlough was revoked for "jail misconduct". Néo refused to cooperate when questioned by prison guards about who was behind the illegal marijuana trade, and Corinne, who witnessed the incident, testified against Néo. Now, Léa-Marc is requesting that Corinne's testimony, which was favourable to Néo, be taken into account when deciding whether to release him. Corinne argues that the testimony was given under duress, but 82157476af
